# Company Profile

---

Established in 2011 De la Rey Consulting Ltd. is a dedicated friendly team of Moscow-based professionals specializing in marketing business solutions for Russia.

De la Rey Consulting`s services include the essentials: market data analysis & market research, B2B partner (Russian importers, dealers & distributors, end customers) search, translation & localization services for newcomers in the Russian market.

We also provide top-level translation services: translate and localize for a wide scope of customers ranging from small law firms to large banks & industrial manufacturers. We translate contracts, corporate documents, statements, product descriptions, user manuals and presentations, booklets and brochures, website content etc. Our working languages are English, German, French, Spanish, Japanese, Chinese, Korean and many others , including all local EAU languages.
